ILLNESS POLICY

1. The Canadian Celtic Choir must comply with current public health recommendations and/or mandates for infectious illness on the Middlesex London Health Unit website.

2. It is recommended that members keep up to date with COVID vaccinations and flu shots as best they can to protect themselves and other members of the choir.

3. Members or guests who are experiencing any symptoms of infectious illness are not to attend choir practices or performances.

4. In considering their return to choir, members must comply with current public health recommendations and/or mandates outlined in the Middlesex London Health Unit website.

5. If exposed to an infectious illness use caution when determining your attendance at choir functions.
